

Looking for a way to give back?

BE A MENTOR WITH THE PA PRISON SOCIETY!

The PA Prison Society is looking for mentors to work with individuals who are preparing to come home after time in prison and to help them successfully navigate reentry. PA Prison Society mentors come from all walks of life and backgrounds.

Are you someone who:

- is a good listener and empathetic individual?
- is looking to make a meaningful difference in someone's life?
- cares deeply about criminal justice reform and breaking the cycles of recidivism?
- wants to gain skills and experience in the field of reentry services?

We are especially interested in mentors who are formerly incarcerated themselves or have supported someone who has experienced the challenges of reentry.

Interested? Please contact the PA Prison Society at apeifer@prisonsociety.org for more information.
